**2.** This Act is called the Pension Funds Amendment Act, 2020. 20

**MEMORANDUM ON THE OBJECTS OF THE PENSION FUNDS  
AMENDMENT BILL, 2020**

**1. INTRODUCTION**

Section 19 of the Pension Funds Act, 1956 (Act No. 24 of 1956) (“the Act”), currently enables pension fund members to access a loan, where the pension fund asset acts as security for such a loan, in order to obtain a home loan. However, the Act does not permit pension fund members to obtain a loan for any other purpose.

**2. OBJECTS OF THE BILL**

The unfortunate outbreak of the COVID-19 pandemic in the Republic has severely impacted the already crippling South African economy and has led to many South Africans becoming financially destitute. The Bill thus seeks to amend the Act in order to allow pension fund members to obtain a loan, secured by a guarantee from a registered pension fund, to alleviate financial pressure during an emergency such as the COVID-19 emergency or any other emergency similar to COVID-19. By enabling a member to access a pension-backed loan, that member will be able to leverage their pension fund investment prior to their retirement date, without eroding their provision for eventual retirement. Lending institutions will be enabled to offer loans to pension fund members at competitive interest rates and over extended or deferred payment periods given that the loan is fully guaranteed.

**CONTENTS OF THE BILL**

3.1. Clause 1 amends the Act in order to enable a registered fund to furnish a member of the fund with a guarantee to secure a loan, which guarantee may not exceed 75 per cent of their share in the value of the fund.

3.2. Clause 2 provides for the short title.

**3. FINANCIAL IMPLICATIONS FOR THE STATE**

None.

**4. PARLIAMENTARY PROCEDURE**

4.1 It is proposed that the Bill be dealt with in accordance with the procedure established by section 75 of the Constitution, 1996, since it contains no provision to which the procedure set out in section 74 or 76 of the Constitution applies.

4.2 The member is of the opinion that it is not necessary to refer this Bill to the National House of Traditional Leaders in terms of section 18(1)(a) of the Traditional Leadership and Governance Framework Act, 2003 (Act No. 41 of 2003), since it does not contain provisions pertaining to customary law or customs of traditional communities.
